SEXUAL IDENTITY POLICY

Teurlings Catholic High School is committed to providing a safe environment that allows students to develop and prosper academically, physically and spiritually, consistent with Roman Catholic teachings and principles affirming that the body reveals each person as male or female and that the harmonious integration of a person's sexual identity with his or her sex is an expression of the inner unity and reality of the human person made body and soul by God and in the image and likeness of God. In fulfillment of these religious truths, our Roman Catholic educational environment shall reflect a relation to persons (including name and pronoun usage, uniforms, access to facilities and overnight accommodations, and eligibility for single-sex curricular and extracurricular activities) that is respectful of and consistent with each person's God-given sexual identity and biological sex at birth.

Recognizing that each person is created in the image and likeness of God ensures that dignity is safeguarded and safe environments are fostered. When parents send their children to Roman Catholic schools and when persons choose careers in Roman Catholic education, they should expect an environment consistent with the truth that God-created sexual identity speaks to His vision for each person's relationship to Him, oneself and others. Behavior and expressions of a person's sexual identity within the school environment that are inconsistent with these principles and/or which cause disruption or confusion regarding Roman Catholic teachings on human sexuality are prohibited. The full cooperation with this policy of school officials, faculty, parents and students is required and a condition precedent to the continued enrollment of each student and the continued employment of each employee, and the enforcement of this policy by the school is deemed a spiritual mandate.
